Decisions needed

	DECISION	WHO	BY WHEN
1	Supply the missing target for East	Finance	Before the next run
2	Explain the 1 difference against the manual report that nobody can yet account for	Report owner	Before going live
3	Find out why returns rose in Central	Regional manager	This month
4	Agree the date to stop the manual report	Sponsor	After a clean parity month

The figures are in the report; each region has its own bulletin; the operator's steps are in the runbook.
